The Shoes of Peace

WRITTEN BY ZION NALUYIMBA

For shoes, put on the peace that comes from the Good News so that you will be fully prepared.

Ephesians 6:15 NLT

The shoes of peace is the third piece of armour Paul encourages us to wear if we are to stand firm against evil.

Shoes symbolize readiness and stability. As believers, we are called to stand firm and move forward in our faith journey, spreading the message of peace and reconciliation found in the gospel of Jesus Christ.

This gospel speaks of reconciliation with God through Jesus Christ. It speaks of a peace that comes from knowing one's sins are forgiven and that they are in a right relationship with God.

Just as shoes are essential for daily movement and activity, the peace brought by the gospel should be an integral part of a believer's daily life, guiding their actions, decisions, interactions and thought process.

By doing this we are able to overcome anxiety and honor God's sacrifice that brought us a peace that surpasses all understanding.

THE NEW COVENANT- 2

The New Covenant

WRITTEN BY TRACY NANYONGA, SHILOH
AYESIGA

The New Covenant represents a pivotal shift in our relationship with the divine; a promise of redemption, forgiveness and eternal communion with God.

The idea of a New Covenant finds its roots in the Old Testament, notably in (Jeremiah 31:31-34), where the Prophet speaks of the new covenant God will make with His people.

The fulfillment unfolds in the New Testament through the life, death and resurrection of Jesus Christ. He speaks of a New Covenant through His blood, symbolized during the last Supper when He institutes the sacrament of communion.

The major principles of the New covenant that define the christian faith are; forgiveness of sins eternal life, transformation of the Heart and direct access to God.

The New Covenant stands as a beacon of hope in a world marked by sin and brokenness. It offers a glimpse of divine love, mercy and redemption. As Believers, we ought to embrace and proclaim the transformative power of the New covenant.

Quote of the month

In the darkest times of your life, your praise to God should be the loudest. Let the enemy know you're not afraid of the dark"

Praise report

As a church we thank God for healing our senior Pastor who has been unwell for sometime. Truly by His stripes we were healed.

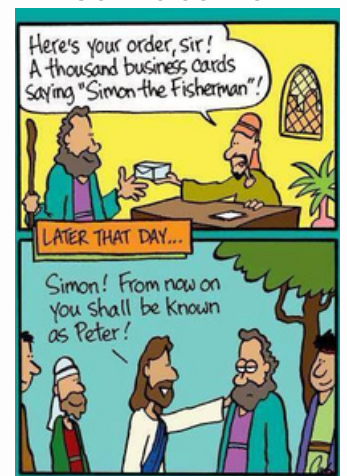

We also thank Him for giving us a colorful salvation day that we celebrated on 2nd June. The day was culminated with a special music gala where two ladies gave their lives to Christ.

We also thank God for job promotions, new born babies, Children's church funding and finally being able to acquire the church land title deed. To God be the glory for the great and marvellous things He has done!
