## Faith over fear

*Written by Barnabas Byamukama*

The Word of God declares in Hebrews 11:1 that, Faith is the assurance of things we hope for, the proof of things we do not see (the conviction of their reality). In other words, we perceive or regard as being real that which is not yet revealed to the physical senses.

The word of God declares that Faith comes by hearing the Word of God. (Romans 10:17). Believing and being obedient to the word of God enables us to have living Faith because if our faith has no works, it is dead. (James 2:17).

One of the major benefits of faith is that it is our shield against the attacks of the enemy (Ephesians 6:16). In other words it's our spiritual immunity.

Investing in our faith, we will have us reaping with joy for God promised, whatever we ask for in faith, we will receive.

## Youth alive

*Written by Shiloh  
Ayesiga*

Let not the evil influence the  
youth,  
Let not their bodies lead them to  
mistake,  
Because they are prone to errors  
and lies.

Let the kids discern the right  
from the wrong  
Let them all be wise and  
intelligent;  
Let them show good and  
outstanding judgement.

Let the young persons obey their  
parents  
Let them be guided by their  
discipline  
Let the teachings they receive  
Come from the Bible - the words  
so pristine.

“

Instead of having a self absorbed mentality, choose to deny yourself of the momentary pleasures and pursue being a keeper of your neighbor.

## Being a brother's keeper

*Written by Frank Lutwama*

" And the LORD said unto Cain, Where is Abel thy brother? And he said, I know not: Am I my brother's keeper?"

Genesis 4:9

Even now, God is still asking you and I the same question. "Where is your brother?" His heart of love and mercy demanding for humility, love and forgiveness from our hardened hearts.

The cry comes from Jesus our Lord concerning the fellow brothers we envy and close doors of opportunities to. We bleed the same yet we keep labeling each other based on our imperfections. In such a corrupted world, true love is getting harder and harder to find. Are we convicted by God's voice calling us to do better or have we, like Cain stayed hard hearted, unbothered upon a brother suffering.

What to do now;

True peace of mind is found in being a caring brother. Humility leads the journey. As a believer God's compassion has been shed abroad in your heart and as you surrender your heart to God's will, He causes you to be more aware of the pain and suffering your neighbor is going through.

Instead of having a self absorbed mentality, choose to deny yourself of the momentary pleasures and pursue being a keeper of your neighbor.

Lions are merciless hunters yet they never leave a brother in battle. In the same way having your brother's back may require you to sacrifice your time, resources or ego, but in doing so you will not only fulfill the second most important commandment, but you will uplift a soul and save a brother from the hand of the enemy.
