## JESUS; OUR HOPE OF GLORY

BY ESTHER GLORIA NABUKENYA

As we draw close to Christmas, it is easy to get carried away with all the preparations and forget what Christmas is all about. The birth of Jesus is more than an event to us believers. It's a fulfilled promise of redemption, hope and unending grace marking the arrival of the Messiah and the Savior of humanity. Jesus' coming gives us so much joy because it reminds us of the beginning of our great hope.

The coming of Jesus symbolises God's love and desire to redeem humanity from sin and its consequences (John 3:16). Through Jesus God initiated a new covenant providing forgiveness and reconciliation ( 2 Corinthians 5:18-19). This spiritual renewal allows us to start a new beginning strengthened by faith.

## CONTINUED FROM PG 1

Jesus brings hope and encouragement for spiritual growth. He encourages us believers to embrace hope as it embodies the possibility of transformation and renewal.

Jesus offers new life to us believers. This is through spiritual rebirth (John 3:3). He provides us with a new beginning and a chance to start a new life.

Jesus offers a gift of faith to us believers. Through Jesus, God demonstrates power and ability to accomplish what seems impossible which enables us believers to trust in God's love, provision and guidance.

Jesus paved a way for the Holy Spirit's work in our lives empowering us for spiritual growth, service and witnessing about God's miraculous wonders in our lives.

Jesus offers us the gift of eternal life. He overcame death and won the victory over sin hence providing a new beginning for us that transcends earthly life.

In conclusion, as we celebrate Jesus' birth this Christmas, let us remember that His life, death and resurrection offer us a new beginning free from the bondage of sin and filled with the promise of eternal life.
