# Praise Report

BY MUKISA NAMUGALU

Our God is an awesome God who cares about us. God did for me an amazing thing in 2024. I was in S.4 by that time and my health was not good. For the first two terms I always used to get sick and was out of school every two weeks. When it came to third term, I got sick for only a week but the problem was that the next week was when we were beginning our UNEB exams. It was a Saturday evening when I called Pastor Mark to pray for me before going for the exams on Monday. He prayed for me and I felt something good and I believed that God was with me. When I reached class though, my friends gave me something to eat and as I was eating I started feeling weird throughout my whole body. I started trembling immediately. I had to be taken back to the sickbay and on my way, I had a terrible headache and I felt like my head was going to burst. But through all that, I knew God couldn't leave me. Though time was running out, I knew that He is a God who makes a way where there's no way. By Sunday evening I was feeling better and I was ok by Monday morning. All in all I thank God that He made me finish all my exams without getting sick again. Though the enemy made evil plans for me, my God never failed me. Indeed He fought my battles.

# Event Recap; Evangelism Crusade and Cross Over Celebrations

The Evangelism Crusade was a two day event that took place on the 29th and 30th December 2024. It was climaxed with the Cross over celebrations on 31st December 2024. The celebrations were marked with prayer, praise , worship, the word and fireworks. We thank God for the 66 people who gave their lives to Christ in both events. To God be the glory!
