THE LOVE OF GOD

Nanyonga Tracy

As I pen down my meditations on the love of God, I'm at a loss of the kind of words that could describe how good God is. God's love is worth something to boast about because for ages past, His love has been and always will be pure, unrestrained, relentless, infinite, faultless and extraordinarily wonderful. His kind of love (Agape) is one in which He unselfishly seeks the higher good for us. In creation, God breathed into us as an act of love (Genesis 2:7), and when we believe in His Son Jesus Christ, He gives us His Spirit as a sign of His immense love towards us. (Luke 11:13). An awareness that God's love for you is powerful, personal, sacrificial, excessive, liberating, life giving, restorative and hope filled will break every chain in your life and make you completely free. Love is not just something God does, but it's who He is. (1 John 4:8). As children who desire to move according to our Father's heart beat, we have to love one another sacrificially. (1 Corinthians 10:24).

PROPHETIC PRAYER CONFERENCE RECAP

Daniella Bidorho

With a new year comes a lot of expectations, annual planning, joy and to some extent uncertainty about what the year has in store for us. But as Believers the Bible urges us to not be anxious, but rather be constant in prayer with thanksgiving and to make all our requests known to God. (Phil 4:6) The Redeemed Life church annual Prophetic Prayer conference is such a platform that creates an atmosphere to submit our annual expectations and plans to our Creator and also receive what He has in store for us for that given year.

This year's conference ran for 5 days, from 30th January to 3rd February.

The theme of the conference was Luke 1:74. "To grant us, that we, being delivered from the hand of our enemies, might serve Him without fear." We had anointed speakers such as Pr. Gwendolyn Weeks, Pr James Kato, Pr Muganzi Samuel, Pr David Ruhweza and Rev. Paul Wasswa.

These servants of God enlightened us on who our enemies are and what we have to do to overcome them. Some of the enemies that were brought to light include Self (Luke 9:23), the world (Romans 12:2) and the devil (James 4:7). We learnt about Pharaoh in Exodus 10 who was willing to let the Israelites go and sacrifice to the Lord if only they didn't go with their children and livestock. But just as the Israelites stood their ground and refused this lie of the enemy, we too were encouraged to serve God with our children and our possessions. For us to have such boldness, we learnt that we need to go deeper in prayer and reading the Bible because Psalm 107:24 says the wonders of the Lord are in the deep.

We were also encouraged to apply this fearlessness in evangelism because each one of us has the initiative to share our own personal story of what Jesus has done in our life through the power of the Holy Spirit and leave the results to God.

BOLD FOR CHRIST

You don't have to compromise your beliefs for conformity. Here's how you can stay true to the Word of God.

Keep your eyes open to the truth. (John 17:17)

Listen for God's voice. (Isaiah 30:21)

Be willing to repent when you're wrong. (Psalms 51:17)

Quickly turn back to the light. (Psalms 20:8)

And there is salvation in no one else; for there is *no other name* under heaven that has been given among men by which we must be saved.

Acts 4:12

THE VICTORY ANOINTING

Afaayo Jeremiah

So you accepted Jesus Christ as your Lord and savior but you find that you are struggling with certain issues. Probably it's an addiction or toxic mindset that you just can't seem to shake off. The good news is you have the power to be victorious over anything through the power of the anointing upon your life which is the Holy Spirit (1 John 2:27). From the word of God we see that the first thing we need to do is identify what our enemy is. Proverbs 27:17 says a prudent man sees evil and avoids it. The Holy Spirit helps you determine the root cause of the symptoms you see. Once you have identified the problem you now have to submit to God and resist the devil (James 4:7). You submit to God by acknowledging that you are unrighteous and because of this you end up doing what you wouldn't want to (Romans 7:19). But because Christ imputed His righteousness on you when you believed in Him, you are able to come boldly to the throne of grace (Hebrews 4:16).

After submitting to God, we now resist the devil. Isaiah 55:7 says ".... let the wicked forsake their ways and the unrighteous their thoughts..." Here you make the decision to simply forsake any form of thinking you may have and choose to take on the word of God. "For my thoughts are not your thoughts, neither are your ways my ways," declares the Lord. (Isaiah 55:8).

When Jesus told Peter to let down his nets in the water, Peter forsook his thinking about how the dynamics of fishing work and simply trusted Jesus' word. (Luke 5:5). As you also step out in faith, remember you are anointed for victory and your declaration no matter the situation should be "...thanks be to God, who gives us the victory, through our Lord Jesus Christ." (1 Corinthians 15:57)
