

THE SPEAKING LIFE

GOD'S WORD; THE KEY TO OVERCOMING LIFE'S CHALLENGES

WRITTEN BY WINNIE KYAKUWADDE

Navigating life and its challenges is hard for pretty much anyone human. Fortunately as believers, we are not left to fend for ourselves. God has given us His word, the Bible which is highly detailed with correction, instruction and training in righteousness. (2 Timothy 3:16)

Whenever I lean on my own understanding instead of God's word, I always find myself going astray. But the Bible has been a lamp to my feet and a light to my path in so many ways. Even when I'm at crossroads and I need to make a decision, I choose the word, because as God's child I have to be led by the Spirit of God.

In times of spiritual attack, I depend on the Holy Spirit to remind me of God's word hidden in my heart, so that I might not sin against Him.

God has given us His children a way we can keep our way pure. And that is by guarding it according to His word.

When you feel like quitting, the Holy Spirit uses God's word and reminds you that God will never leave you nor forsake you. He gently whispers to you that He who began a good work in you will complete it.

As a result you gain confidence and keep pushing on because you know that God is not a man to lie and His word will not fail to do what He sent it to do.
